MEMORANDUM

To: All Members, Committee on Natural Resources
From: The Honorable Doc Hastings, Chairman
Subject: **UPDATED – FC MARKUP NOTICE 7.11.12**

Due to debate on H.R. 4402, the “*National Strategic and Critical Minerals Production Act*,” a bill from the Natural Resources Committee, now anticipated to begin on the House Floor shortly after Noon on Wednesday, markup of H.R. 6082, the “*Congressional Replacement of President Obama’s Energy-restricting and Job-Limiting Offshore Drilling Plan*,” will move to the next available date for the Committee to meet, which is Wednesday, July 18th. Official notice of a Committee markup for next Wednesday, July 18th will be sent today.

The Committee will still meet tomorrow, July 11th, at 10 a.m. to consider the remaining bills on the markup agenda. It is anticipated that the markup will be concluded before House Floor debate begins for the day.
