

**AMENDMENT TO H.R. 3588**  
**OFFERED BY Mr. Lowenthal**

Page 2, line 15, after “catch limits” insert “that, when each catch limit is reached, result in a prohibition on the retention of fish caught for the remainder of the fishing year,”.

Page 5, strike lines 6 through 10 and insert the following:

1                   “(A) ensure that red snapper catch by the  
2                   private recreational fishing sector does not ex-  
3                   ceed that sector’s allocation of an annual catch  
4                   limit established by the Secretary and the rel-  
5                   evant scientific and statistical committee for  
6                   such catch; and
