EXPERIENCE

Mar 2009 – Present

MISSOULA ELECTRIC COOPERATIVE, INC.

Missoula, MT

General Manager

- Executive responsible for oversight of managers and personnel working in the areas of operations, engineering, accounting, customer service and information technology.
- Report to a seven Member democratically elected Board of Trustees.
- Direct the overall operations of the Cooperative in accordance with its bylaws, Policies set by the Board of Trustees, and applicable federal, state and local laws.
- Advise and assist the Board in the Strategic Planning Process and formulation of Board policies.
- Develop RUS work plans and power requirement studies.
- Manage operation to achieve Cooperative goals within established budget.
- Advocate for the rural utility program locally, state-wide and nationally.
- Serve as a Director of the Cooperative's Propane LLC Partnership
- Serve as the Board appointed key spokesperson and communicator regarding cooperative issues presented to Members, governmental officials, lenders, legislators, news media and other stakeholders.

Nov 2001 – Mar 2009

DEC ENERGY INC.

Menomonie, WI

General Manager

- Developed a propane fuel diversification plan for Dunn Energy Cooperative for expansion into the LP gas business. Achievements of the subsidiary include 250% growth in active customers after six years, expansion into LP appliance installation and service in 2002, and integration of billing and accounting systems with the existing electric CIS.
- Responsibilities include management of three person staff working in the areas of propane delivery, LP gas appliance service and repair, and customer service. Additional duties include propane hedging and risk management, regulatory compliance oversight, and key account maintenance. Elected to the Wisconsin Propane Gas Association's Board of Directors in April 2003.

Feb 1995 – Mar 2009

DUNN ENERGY COOPERATIVE

Menomonie, WI

Assistant General Manager

- Management team member responsible for all aspects of cooperative finance including accounting and internal accounting controls, annual budget preparation and subsequent monitoring, debt and investment portfolio management, and long range financial planning used to guide corporate strategic decision making.
- Additional duties include the supervision of seven full-time and two part-time employees working in the areas of human resources, member services, customer billing and collection, and plant accounting. Accomplishments include the oversight of process reengineering and improvement programs in the areas of work order procedures/plant accounting as well as billing and collection resulting in improved quality of service and a reduction in force through improved operational efficiency.
- Supervised three person sales and technical staff of Direct Broadcast Satellite operations from date of hire to partnership with a nationwide management firm in late 1997. Realized growth to 2,200 households in Dunn County during that period. Improved functionality of the accounting system to incorporate into existing electric utility financial reporting system.
