

Amendment #25

Amendment to H.R. 6510

Offered by Mr. Graves of Louisiana

At the end, insert:

Sec. xx. Notwithstanding any other provision of law, 50 percent of all funds collected from energy production on federal lands otherwise payable to states pursuant to the Mineral Leasing Act (30 U.S.C. § 181 et seq.) shall be available for a competitive grant program for coastal restoration and coastal resiliency programs operating under regulations to be promulgated by the Secretary within one year.”.
